## Bringing Smiles To Millions

### ROTOMECC Heavy Duty Dust Bins / Litter Bins

ROTOMECC Heavy Duty Dust Bins / Litter Bins – Smart Waste Management for a Cleaner Environment. At ROTOMECC, we believe in sustainability and innovation. Inspired by the Green Revolution, we have designed a range of heavy-duty outdoor Dust & Litter Bins that offer durability, functionality, and aesthetics. Engineered for urban and commercial spaces, these bins promote cleanliness and waste management efficiency in high-traffic areas.

#### KEY BENEFIT & FEATURES

##### Sloping Top

Self-draining design prevents water and dirt accumulation, ensuring long-lasting durability.

##### Grooved Shoulder

Ergonomic grip for easy handling, lifting and transportation.

##### Color-Coded Options

Available in multiple colors for effortless waste segregation (biodegradable, hazardous, and recyclable waste).

##### Robust & Weatherproof

Built to withstand harsh outdoor conditions.

##### Spacious & Efficient

Large capacity for handling high-volume waste.

##### Hygienic & Easy to Maintain

Smooth surfaces for effortless cleaning.

##### UV-Stabilized & Fade-Resistant

Retains color and quality for years.

##### Eco-Friendly & Recyclable

Designed with sustainability in mind.

#### IDEAL FOR USE IN

Schools & Colleges

Stadiums & Sports Arenas

Hospitals & Healthcare Facilities

Municipalities & Public Spaces

Airports & Transit Hubs

Hotels, Parks & Resorts

Commercial & Residential Complexes
